Dear Sir/Madam,

REMINDER: PROPOSED ON-THE-SPOT GEP NIGERIA ASSESSMENT VISITATION EXERCISE

We write to kindly remind you of the upcoming On-the-Spot Assessment Visitation Exercise scheduled to take place as per the attached timetable and in line with the six geopolitical zones. This visit is part of our collective commitment under the Greening Education Partnership framework.

The purpose of this visitation is to:

- ❖ Assess the readiness of your state in implementing the Greening Education initiatives and how to attain the status of Green State.
- ❖ Identify state-specific challenges that may hinder effective implementation.
- ❖ Evaluate funding requirements and available resources.
- ❖ Determine areas needing technical support and capacity building.
- ❖ Explore opportunities for integrating technology, including access to digital resources and e-learning platforms, to enhance delivery and impact across the four pillars of the Greening Education Partnership.

We trust that this assessment will provide valuable insights into the current status and will help strengthen collaborative efforts toward sustainable education transformation.

You are kindly requested to confirm your acceptance and indicate your readiness on the scheduled date as outlined in the attached timetable. We look forward to your cooperation and a productive engagement.

Should there be any need for adjustments or further discussions, please do not hesitate to contact us via email: info@gepnigeria.org or call +234 906 775 2022, +234 705 806 8905, +234 706 334 4423.

Please accept the assurance of our highest regards,

Rahman O. Mogaji
